---

Gary/Donn,

Carl and Pam want us to send out a public notice to the public stating that the San Jacinto remedial alternatives are going through a detail evaluation and the review by the National Remedy Review Board has been postponed to later date. Basically the same information we provided to elected officials and Harris County. We need to send it to the mail list and even publish it in the newspaper (short notice similar to when we announce the start of the Public Comment Period). We need to do it as soon as we can, within the next few days.

Donn was at the meeting yesterday when Carl/Pam mentioned this. CAS
